

Greetings Friends and Family!

I am headed for the jungle as I plan to participate in Bluebird Cancer Retreats' 22nd Annual Gorilla Golf Event. This is a unique event like no other. A golf marathon if you will. Everyone knows I am crazy about golf and this event is sure to be my case in point! The goal is to play 100 holes, yes 100 holes! Help me "go bananas" for this great cause!

What is Bluebird Cancer Retreats?

Bluebird Cancer Retreats is a 501(c)3 non-profit organization based in Spring Lake Michigan. Since 1996, Bluebird has been providing weekend retreats for those with cancer. Bluebird offers a unique experience that allows participants to rediscover the joy in life and find the hope they need to continue their journey. Cancer is a disease that not only affects the survivor but the whole family and community as well. By coming together to support Bluebird Cancer Retreats in its mission to enhance the lives of those with cancer, we can work to support and uplift those who have been affected. In order to meet this mission, Bluebird Cancer Retreats is headed for the jungle!

What am I asking from you?

I am asking you to consider supporting me in one of the following ways:

- Make a straight pledge/donation in any amount (\$25, \$50, \$100, \$500, \$1000, etc.)
- Make a per-hole pledge (\$0.50/hole, \$1.00/hole, \$2.00/hole, etc.)
- Make me work for your support & pledge additional amounts for each birdie or eagle!

If you are making a straight pledge, you can commit and send me your donation at your earliest convenience. If you pledge per hole, birdie, or eagle, you will receive an invoice after the event along with a report on my wild day in the jungle! All donations are tax-deductible!

Thank you in advance for supporting Bluebird!
Your friendly neighborhood Gorilla,
